

# BUKIT RAYA GUESTHOUSE LANGUAGE COURSE

Are you going to spend a longer time in Kalimantan, either professionally or as part of a social engagement, and would you like to acquire a basic knowledge of the language, culture and way of life at the beginning of the assignment? Then you are at the right place at the Bukit Raya Guesthouse course!

We offer a three-step language course in which you can learn the basics of Indonesian language, be introduced to customs and practices, and learn about the essential "go" and "no-go" culture in a relaxed environment.

The lessons can be individually adapted to the needs of the learner and, if desired, the focus can also be placed on his occupational and work-related priorities. As part of shorter and longer excursions, the student also gets to see various sights in and around Palangka Raya.
