

## NATURE-CULTURE-OFFROAD TOUR

### Highlights

Short trekking to a beautiful waterfall, trekking up to Batu Suli

Boat-cruise on the Kahayan River

Sleep in an old Longhouse and get a lot of information about Dayak culture

Experience some typical handicraft by yourself (ex. weave of rotan, wood-carving, ...)

Learn more about the 1 million tree project and visit the local farmers

Enjoy some great offroad-trails

See also places about destruction of nature (deforestation, consequences of goldmining, ...)

### Duration

3 Days / 2 Nights Tour (first night in a simple accommodation, second night in an old longhouse)

### Condition

No special condition required, the longest trek is about 2 hours

### Included

Transportation, 2x overnight-stay, food, Guide, boat rent, fees for parks etc.

### Information

The tour starts and ends in the Bukit Raya Guesthouse

You have to bring comfortable / sportive clothes (also to change), toiletries, silk sleeping bag, towel, suncream, mosquito spray, hat, some money for personal expenses
